Parents & Guardians,

We would like to take this time to thank you for your assistance during the incident on Friday, December 2, 2016 at Ware JR/SR High School for believing in us and respecting the investigative process that occurred on this day. Because of this uninterrupted time we could devote all of our resources to investigate the incident which resulted in a quick resolution as students continued to receive instruction within their classrooms in a safe environment. The safety and security of our learning community is of the utmost importance to our administration and any disruption to our school day similar to what occurred on Friday will not be tolerated. Your support of the administration and the process is greatly appreciated. With the involvement of parents as part of the Ware learning community team allows us to be stronger together!
