February 4, 2022

Dear Ware Families,

Good afternoon! Our first distribution of at-home rapid antigen test kits has been sent home with students and staff. Please refer to the below flowchart on steps to take when administering the test.

If you would like your child to receive a test kit and have not already signed up, click on the link for the appropriate school(s) your child(ren) attend to opt-in. The deadline to opt-in is Tuesday, February 8th to receive a kit on the next distribution day of February 17th.

We will continue to do routine COVID Safety Check Testing in school on Wednesdays. To sign up for Safety Check Testing visit <https://www.cic-health.com/consent/ma>. You can also use this link to provide consent for symptomatic testing, which will allow us to administer a rapid test if your child shows any symptoms of the virus while at school.

Participation in the take home test option is not required. You can choose to participate in one, two or all three options.

Thank you for your continued support as we work toward our goal of an uninterrupted school year.

Stay well,

Dr. Marlene A. DiLeo
