The Girls Volleyball Team participated in the Spike It for Life game on Tuesday, October 18th. This an annual game played against Belchertown since 2010. To date, they have raised about \$40,000 for cancer research.

Today several 7th grade students from Mrs. Keough's computer classes took part the 2022 STEM Week Challenge Showcase at the Reggie Lewis Center in Boston. Students had the opportunity to present their projects to STEM professionals from across the Commonwealth. We are happy to announce that we had a team win second place. Congratulations to Caleb Gorman, Anna Dulak and Rosalie Kane!

A reminder that first quarter grades close on Friday, October 28th, with report cards going home on November 4th. It's amazing how time flies and it seems like yesterday we were just beginning a new school year. Please remember that administrators, teachers, and staff are available to answer any questions you may have or to provide support to your child when needed. Reach out and we will be there!

On Saturday, October 15th, the Ware JS High School gymnasium was dedicated to Paul Orszulak. His contributions to the learning & recreation community, and community at large, will be felt for generations. Thanks, Mr. Paul Orszulak!!

If you are looking to get into the Halloween spirit, below are events taking place tonight and tomorrow:

Friday, October 21st

- Halloween Bingo for SMK students and their families presented by the SMK PTO. This event will take place from 6:00-7:30 in the cafeteria. Wear your Halloween costume.
- WMS PTO is hosting a Monster Mash for students in grades 4-6 from 6:00-8:00 in the gym. Admission is \$5 to the event and \$1 to enter the Haunted Locker Room. Snacks and drinks will also be available for purchase.

Saturday, October 22nd

- Support the Class of 2026 at their Haunted Hallways from 7:00-10:00. Admission is \$5. Snacks and beverages will also be available.

Have a great weekend!
