

FROM THE DESK OF
Superintendent DiLeo

In Ware, the safety of our students and staff is our highest priority. We developed our safety protocols with the help of law enforcement to make sure we follow best practices. In light of the recent incident in Tennessee and hoax threats around the state, we have reviewed these procedures and safety measures to ensure that we are doing everything we can to keep everyone in our schools safe. We are a Sandy Hook Promise school district, and all our students and staff know they can help create a safer community by following the advice that if they see something, they should say something.

If you or your child(ren) have any questions or concerns, do not hesitate to reach out to their building principal, school counselor, or myself. We want to help in any way that we can.

Sincerely,

Dr. Marlene DiLeo
 Superintendent

SAY SOMETHING

The Say Something program empowers students to be upstanders and say something to a trusted adult when they recognize warning signs and threats as well as offers ways students can grow a community of upstanders.

I PROMISE TO...

1. Look for the warning signs

2. Act immediately, take it seriously

3. Say something to a trusted adult
