CELEBRATING SENIOR ATHLETES

WJSHS Senior Nights for Varsity sports were recently held for Softball, Boys' Volleyball and Baseball. These were meaningful and memorable celebrations with family and friends keeping with the tradition of honoring high school athletes. Congratulations to all senior athletes!

Senior Door Day

WJSHS Class of 2023 Seniors are showcasing their college choices with door decorations! The door symbolizes students as they graduate high school and move onto the next college chapter of their lives. In a friendly competition, a small panel of judges chose best doors awarding 1st, 2nd and 3rd place winners with a gift card to Cumberland Farms. Great job, everyone!

SMK Preschool Playground

This week our preschool students enjoyed playing on their new playground.

Many acts of kindness and support can be observed on any given day in all three buildings; however, we don't get to see them all. If you see an act of kindness or a good deed in the Ware Learning Community, we want to hear about it! Share it with us by completing our form [WARE Positivity Shines](#).

WHAT HAPPENS WHEN I QUIT VAPING?

The road to better health starts within minutes when you decide to quit vaping.

20
MINUTES

After the last time you use your vape your blood pressure, pulse rate, and body temperature all drop to normal levels.

8
HOURS

"Smoker's Breath" disappears. Carbon Monoxide in your blood drops to normal, and Oxygen levels in your blood return to normal.

48
HOURS

Nerve endings start to regrow, and your sense of smell and taste improve.

9
MONTHS

Coughing, sinus congestion, tiredness, and shortness of breath decrease.

HELP YOUR FUTURE SELF. QUIT VAPING NOW.
